CHARDONNAY 2019

Our Estate Vineyards provide the backbone to this beautifully fragrant Napa Valley Chardonnay. Alluring floral aromas meld with notes of caramel apple, pie crust and lemon zest. Opulent, brown butter peach cobbler flavors are juicy and rich but finish with a balanced brightness that lingers on the back palate.

“This versatile Chardonnay has two distinct personalities: serve well chilled (55° F) for a bright and fruity expression in the glass; pour out a bit warmer to bring a honied richness and oak to the forefront.”

KIMBERLEE NICHOLLS, WINEMAKER
