CABERNET SAUVIGNON

CALISTOGA DISTRICT, NAPA VALLEY

Showing distinct bay laurel and granite notes—much like the area in which it is grown—this Calistoga District Cabernet Sauvignon is multi-layered deliciousness. We adore the juicy compote fruit spiced with leather, cloves, and chocolate oak character. A favorite with herb-spiced turkey and cranberries or grilled pork loin with apricot chutney.

“Typically 10° F warmer than more southerly districts of Napa Valley, the rocky soils found on our estate radiate heat during the growing season, packing each grape with intense flavor.”
