HARVEST NOTES

- 2023 was the longest growing season on record, with late starts for all growing milestones: bud-break, bloom, fruit set, veraison, and harvest. Harvest started a week after Labor Day but went smoothly and finished relatively early.
- Consistent, mild weather throughout the growing season and long hangtimes resulted in excellent quality for both reds and whites, with the wines showcasing beautiful flavors, vibrant acidity, and excellent balance. An exceptional vintage.

THE PHILANTHROPIST CABERNET SAUVIGNON

WINEMAKER KIMBERLEE NICHOLLS

Markham's inaugural release of The Philanthropist showcases Napa Valley at its finest. Crafted in limited quantities, this 2023 Cabernet Sauvignon comes from the most exceptional estate barrels hand-selected by winemaker Kimberlee Nicholls.

Dense blackberry and cassis mingle with caramel and toasted oak aromas, while Luxardo cherry and boysenberry jam glide across a velvety, full-bodied palate. Designed to complement bold dishes, this powerful, opulent Cabernet will cellar beautifully for 10-15 years—an enduring expression of our vineyards, our craft, and Markham's generous spirit since 1879.

WOMEN-LED WINEMAKING & VITICULTURE TEAM

We're honored to have Winemaker Kimberlee Nicholls at the helm of the Markham winemaking team. When Kim began her career more than three decades ago, she was one of the first female winemakers in the Napa Valley. Today, women winemakers in Napa Valley still only represent 12% of the total, and Kim remains among the very few who specialize in Merlot.

Markham's 260 acres of sustainably-farmed estate vineyards and land across Napa Valley allow Kim and the winemaking & viticulture team to showcase the diverse characteristics within this world-class growing region across our entire portfolio.
