PETITE SIRAH

ST. HELENA DISTRICT, NAPA VALLEY

From the glass, this alluring Petite Sirah offers up ripe blackberry notes scented with clove, French lavender and roasted coffee. The palate expands to include flavors of huckleberry, marionberry, allspice and dark cherry, all supported by elegant structure and bright acidity. Ideal with dishes that offer something smoky, sweet & spicy, like teriyaki-glazed BBQ ribs.

“St. Helena enjoys some of the warmest weather in the valley thanks to protection provided by western hillsides, and you can taste that abundant warmth in the character of this wine.”
